

Vornkahls of Berel and Neighboring Villages, 1649-1902

The following is a list of Vornkahls recorded in the parish records of Berel, 1649-1902. Also included are Vornkahls from the villages of Barbecke, Bockenem, Bruchmachtersen, Burgdorf, Didderse, Gifhorn, Grasdorf, Hohenassel, Holle, Langlingen, Lesse, Luttrum, Müden an der Aller, Sillium, Söhlde, Sottrum, and Westerlinde.

The list is in alphabetical order of given names. When given names are identical, the list is in chronological order of birth date. Small variations in the spelling of names resulting from changes in style are not taken into account when alphabetizing the list. For example, the spellings, Anna and Anne, are not separated into two lists but are given as a mixture in chronological order.

In later years, names such as Carl, Caroline, etc., often were spelled with K in place of C. These names have been changed to begin with "C".

The numbers in square brackets [0000] are references to sources of data. The letter-number combinations in bold print, such as **C8A**, refer to the family tree charts, *i.e.*, Chart 8A, where the individual is included. Not all persons can be assigned to a chart and therefore are not included in the charts.

A key to the abbreviations used is found in the section titled, "Introduction and Use of This Book."
